DR. RELFE'S BOTANICAL DROPS.

CERTIFICATES.

SARGENT ROGERS, No. 32, *Hanover-street, Boston*, doth hereby certify that he was severely afflicted with an eruption for *fifteen years*, all over the head, hands, legs, arms, and various parts of the body, (and many large blotches in the face) often times forming a solid crust as thick as a dollar and as large as the palm of his hand, attended with the most tormenting itching, burning and blotches. In this truly distressing situation almost deprived of hope, having tried every other Medicine in vain, was cured by taking *Dr. Relfe's Botanical Drops*, prepared by W. T. CONWAY, *Hamilton Place*, and doth hereby certify that he was cured by his Medicine alone without any other Medical assistance.
Boston, June 1, 1814. (Signed) SARGENT ROGERS.

This is to certify, that I, PLYTHORA BLISS, of Lebanon, Con. had been horribly afflicted with an extreme scrofulous complaint, and after following the advice and prescriptions of the most experienced in the country and without relief. I, by the advice of a friend, had recourse to '*Dr. Relfe's Botanical Drops*,' prepared by W. T. CONWAY, which to my surprise produced almost instantaneous relief. *Witness my hand,*
PLYTHORA BLISS.

Mr. JARED CARROLL, of Charlestown, was severely afflicted with a painful scrofulous erupt on on the upper lip, with little intermission, for 20 years; went to England and Ireland, and while there placed himself under Professional men of the greatest eminence, without relief; returned to this country, tried every thing without benefit, when he was advised to try '*Dr. Relfe's Botanical Drops*,' and to the astonishment of every one, on taking only three bottles, the whole of the eruption has disappeared. He requests this may be made public for the benefit of those afflicted.

WILLIAM PAYSON, of Boston, 10 years old, was 4 years afflicted with five holes through his foot, went on crutches the whole time, had his foot opened twice by an eminent Surgeon; the bone scraped, and at length resigned as past relief, his death expected, when to the surprise of every one, his health was restored in 10 days, 48 pieces of bone came away, and his foot perfectly healed by taking these Drops, and is now running about Boston as well as any other boy (not lame) without crutches.

A man of Roxbury, well known was 25 years afflicted with pain and weakness in his arms, wrist and hand, at length there formed four foul ulcers in his wrist, one of which had eat through his wrist another was three inches deep her was two inches deep, the whole discharging water—his hand was dreadfully swelled and no joint to be seen at the wrist; when he applied to the Proprietor of these Drops, *signed as past relief*, and considered a dying man: when to the surprise of every one, in 14 days the swelling went down, the use of the limb was obtained, in ten weeks the whole of the ulcers healed, and the man restored to perfect health.

A Lady of Watertown, was covered with eruptions all over her head, ears, face and body which had resisted all Medicine, was so unpleasant to herself that she denied herself company, when to the great surprise and joy of her family was perfectly cured without a scar, by taking four bottles of these Drops.

AFFIDAVIT!

Solomon Butterfield, of Chesterfield, maketh oath and sayeth, that his son, Oliver Butterfield, was 2 years afflicted with Eruptions on his legs and different parts of his body, when after trying all other Medicines in vain, was cured by 3 Bottles of "Dr. Relfe's Botanical Drops," and doth verily believe that his son was cured by these Drops alone, and without the assistance of any other Medicine. SOLOMON BUTTERFIELD.

Abstract of a letter from Dr. TODD, Saco, to W. T. CONWAY.

“Your *Dr. Relfe's Botanical Drops* are a certain, and most excellent Medicine for all Cutaneous Eruptions.

One Hundred and Twenty Thousand Persons !!

It is computed, die annually of Consumption ; originating principally from taking cold, commencing with cough, then difficulty of breathing, and pain in the side. At length the lungs become affected, consumption ensues, and Death closes the scene.—Alas ! Too often does prejudice, by listening to some, and adopting the opinions of others, prevail, thereby preventing a trial of such Medicine as might afford relief, under the idea that no relief can be obtained.—Scarcely a case occurs, but may be relieved by the timely application of

Dr. Relfe's Asthmatic Pills.

As a proof of which, the following interesting Cures are submitted, through motives the most humane, to public perusal.

A Gentleman, of Charlestown, Mass. was severely afflicted with an Asthma 4 years, and for the last six months his death was daily expected ; when to the surprize of every one, on taking only two boxes of these Pills, his health was perfectly restored.

An elderly Lady, of Boston, was afflicted 16 years with a most violent cough, difficulty of breathing, wheezing, &c. would often cough till black in the face, and expecting to be suffocating every instant, could not lay down in her bed for 4 years, seldom slept but at short intervals, was restored to perfect health by taking only 2 boxes. *Her sleep was restored on the second night.*

A young Lady, of Boston, was severely afflicted for three years, with a violent cough, difficulty of breathing, spitting of blood, pain in the side, deprived of sleep, and universal debility. In this distressing state, after having tried all other Medicine in vain, and resigned as past relief, on taking only 2 boxes of these Pills, her cough and the whole of the symptoms left her, sleep was restored, and her health was perfectly established.

Mr. ——— STETSON, of Hanover, was 9 years afflicted with violent pain in his right breast, attended at times with great difficulty of breathing, and wholly incapable of attending business. After having in vain tried all other Medicines, was cured, and his health perfectly restored by 2 boxes of these pills.

A Gentleman, of Plymouth, 70 years of age, was cured of an Asthma by 3 boxes, after having been afflicted upwards of 30 years.

An elderly Lad, her daughter and grand daughter, were each dreadfully afflicted with Asthma, and were all of them cured and restored to perfect health by 7 boxes.

Judge ———, had been afflicted many years with a violent cough and difficulty of breathing, was cured by 2 boxes and restored to perfect health.

A Letter addressed to the Proprietor, by Dr. J. S. Langdon, Physician, Limerick, speaking of these Pills, runs thus—"I have tried *Dr. Relfe's Asthmatic Pills*, in Asthma, difficulty of breathing and consumption, when all other Medicine had failed, and have found them most excellent."

A Letter from Dr. Moses Holbrook, of Bath, Me. runs thus:—"I have tried your *Dr. Relfe's Asthmatic Pills* with a patient of mine whose case had resisted every thing—the cough has certainly left her."

A Letter from Matthias Day, Esq. Postmaster, Newark, mentioning these Pills, says—"Your *Dr. Relfe's Asthmatic Pills* gain credit daily."

A Letter from W. King, Esq. Bridgeport, Conn. says—"The sales of your Medicine is very flattering."

A letter from Messrs. Minor & Billings Grant, Druggists, Stafford, Conn. says—Your (*Dr. Relfe's Asthmatic*) Pills have performed a miraculous cure in this town. A man about fifty had been confined some months; his feet and legs badly swollen; a bad cough; respiration difficult, and was given over by his physicians and friends, who considered him in a confirmed consumption; after taking three boxes of these Pills all the threatening symptoms are removed and he is fast recovering.

Stafford, Sept. 1, 1814

These Pills give instant ease in all coughs, colds, asthmas, difficulty of breathing, wheezing, tightness of the chest, consumption, pain in the side, spitting of blood, chillness and shiverings, the forerunners of fevers, &c. Common colds are removed in a few hours. The aged will experience relief equally agreeable and instantaneous, even when the lungs are affected. Price 1 doll. Ask for *Dr. Relfe's Asthmatic Pills*. One box, containing 12 Pills, frequently effects a cure. To prevent imposition, the outside printed wrapper is signed by the sole Proprietor, W. T. COT-
WAY ***Observe this as you value health.

Dr. Relfe's Antibilious Pills.

For Indigestion, Loss of Appetite, Listlessness, Head-ache, Costiveness, Flatulence, Cholic, Bilious affections, &c.

To comment on the efficacy of these Pills, after a successful experience of many years in England has established their reputation, is needless: Suffice it to observe, that for redundancy of Bile, Flatulence, Costiveness, Head ache, &c. &c. they will undoubtedly prove far more serviceable than those drastic purges too frequently employed, and will not only at the same time tend to remove the offending cause by gentle motions, and strengthen the digesting Organs; but improve the appetite and renovate the system, which otherwise in a little time would be liable to Jaundice, Fevers, &c.

DIRECTIONS.

Three or four Pills to be taken when occasion require, or at night when going to bed. *Price One Dollar the Box.*

British Antiseptic Dentrifice.

The Tooth Ache is not only prevented by this Dentrifice, but it renders the Teeth beautiful and white (though heretofore black) removes the cause of foeter arising from decayed teeth, eradicates the scurvy from the gums, and at the same time it restores to them their original efflorescence, imparts to the breath a most delectable sweetness. *Price 1 dollar.* A correspondent writes thus:—

“I have recommended your Dentrifice, and have only to observe, it has afforded universal satisfaction, and wants but to be known to be generally used.”

Dr. Febb's Celebrated Liniment.

For Rheumatism, bruises, sprains, chilblains, numbness, stiffness in the joints, &c. The relief is immediate, and cure frequently in 24 hours. The following is an instance of its singular efficacy.

Mr. Jacob Hildreth, of Amherst, N. H. was many years afflicted with violent Rheumatism, and as he advanced in years, at times was wholly incapacitated for business, when through recommendation, after trying all other Medicines in vain, was cured by using only one bottle of this Liniment, and has had no relapse. It is now 3 years since. *He was considered incurable.*

A letter from William Howard, Esq, Post Master, Windsor, Conn. says,—
A brother of mine, while in town on a visit, made use of one bottle of your
Jebb's Liniment, which wholly cured him of Rheumatism in the head, and
which had troubled him for better than two years, and to that degree that at
times he was unfit for business. It is now one month since he used the Liniment,
and there is no return of the complaint. Jan. 10, 1816.

A young Lady of Boston, was severely afflicted with a rheumatic pain in
her hip, was unable to walk after being afflicted for 6 weeks; tried most other
Medicines, was instantaneously cured by this Liniment.

A Gentleman of Boston, was afflicted a considerable time with a violent
rheumatic pain in his knee, was cured by this Liniment after all medicines failed.

An old Gentleman of Boston, who was afflicted with Rheumatism in his
back and shoulders, was cured by 1 bottle.

A Man of Boston, accidentally fell from a scaffold 12 feet high, in
consequence of which was seized with a violent pain in the Hip-joint together
with an enlargement; after having tried every thing in vain for 16 months, was
relieved by the use of this Liniment, and Dr. Relfe's Antibilious Pills, in less
than one month.

An old Man was severely afflicted with a violent pain in his back
many years, which bent him nearly double, on using one bottle of the
Liniment was perfectly cured and walks upright as any other person.
